Additional guidance

- An **individual** is someone requiring care or support.
- The **plan** will include ways to address and minimise risks and overcome difficulties relating to
 - Health and well-being
 - The environment
 - Equipment and materials used
 - Abilities of individual and others
 - Others involved.
- **Active participation** is a way of working that recognises an individual's right to participate in the activities and relationships of everyday life as independently as possible; the individual is regarded as an active partner in their own care or support, rather than a passive recipient.
